Part 2

Dear Alex,

I'd like to tell you about my hometown before you visit. I live in a city called Tottori. It's a small, beautiful city on the Sea of Japan coast. It's surrounded by mountains and valleys. Tottori has a small population of around 182,000 people. It is cold here in the winter, and we get a lot of snow. It also gets hot and humid in the summer.

During your visit to Tottori, there are a few places I'd like to show you. The most famous place is the Tottori Sand Dunes. They are the largest dunes in Japan. I'll also take you to a beautiful old house that was built over 100 years ago, called Jinpukaku. We'll also go to some temples and shrines.

I'm sure you'll have a great time in Tottori. The coastline is very beautiful, there are many great restaurants and cafes, and the seafood is delicious.
